If this is really living
Then why am I so unforgiving
Half the world is down the toilet
Half on its way

If I had a dollar for every time he hollers
Trust us with your hearts and minds
Or I'll make you pay

Trust me -- 2x

Ask me why you're feeling screwed
And I'll give you the answer
There's a Colon Dick & Bush
Justa hammerin' away

Ask me why you feel deceived
Stripped of all your liberties
It doesn't take a genius to explain
That today

Trust me -- 2x
