Dont go out at night. thats when they all come out!
THATS when they'll get you.
Hey, look out! on the right!
he doesnt look like you? Call us! well get him!
Its gonna be alright your messing with my head
i dont belive you. Youre coming at us hard
control is what you want. Well im not buying.

Seems like you wanna be shut down
id say your gonna be shut down
they say youre gonna be shut down

Seems like you wanna be shut down
id say your gonna be shut down
they say youre gonna be shut down

Were doing this for you. If we dont stop them now
theyre gonna get you. In fact, theyre here right now.
Youd better learn to sleep with one eye open.
Its gonna be alright your messing with my head
i dont belive you. Youre coming at us hard
control is what you want. Well im not buying.

Seems like you wanna be shut down
id say your gonna be shut down
they say youre gonna be shut down

Seems like you wanna be shut down
id say your gonna be shut down
they say youre gonna be shut down

thats how you look out on the streets thats how you(x4)

thats how you look out on the streets
thats how you suspect all of the kids you meet(x4)

Seems like you wanna be shut down
id say your gonna be shut down
they say youre gonna be shut down

Seems like you wanna be shut down

id say your gonna be shut down
they say youre gonna be shut down
