Lyrics:Lina Nikolakopoulou

Pass the Flame

Unite the World

It's time to celebrate let our voices be heard

Pass the Flame

Unite the world

Bring us all together

We can grow a forest

On a dried up river bed

We can build a mountain

From a grain sand

Reach out, hold out your hands(x2)

Pass the Flame

Unite the World

It's time to celebrate let our voices be heard

Pass the Flame

Unite the world

Bring us all together

Pass the Flame

Unite the World (x5)

Reach out, hold out your hands

Reach out, hold out your hands

Pass the Flame

Unite the world

Pass the Flame

Unite the World (x5)
