I am ready for love
Why are you hiding from me?
I'd quickly give my freedom
To be held in your captivity

I am ready for love
All of the joy and the pain
And all the time that it takes
Just to stay in your good grace

Lately I've been thinking
Maybe you're not ready for me
Maybe you think
I need to learn maturity

They say watch what you ask for
'Cause you might receive
But if you ask me tomorrow
I'll say the same thing

I am ready for love
Would you please lend me your ear?
I promise, I won't complain
I just need you to acknowledge I am here

Baby, you give me half a chance
I'll prove this to you
I will be patient, kind
Faithful and true

To a man who loves music
A man who loves art
Respect's the spirit world
And thinks with his heart

I am ready for love
If you'll take me in your hands
I will learn what you teach
And do the best that I can

I am ready for love
Here with an offering of

My voice, my eyes
My soul, my mind

Tell me what is enough
To prove I am ready for love

I am ready
