(verse)

My friend the communist  
Holds meetings in his rv  
I cant afford his gas  
So Im stuck here watching tv

I dont have digital  
I dont have diddly squat  
Its not having what you want  
Its wanting what youve got

(chorus)

Im gonna soak up the sun  
Im gonna tell everyone  
To lighten up (Im gonna tell em that)  
Ive got no one to blame  
For every time I feel lame  
Im looking up  
Im gonna soak up the sun  
Im gonna soak up the sun

(verse)

Ive got a crummy job  
It dont pay near enough  
To buy the things it takes  
To win me some of your love

Every time I turn around  
Im looking up, youre looking down  
Maybe somethings wrong with you  
That makes you act the way you do

(chorus)

Im gonna soak up the sun  
Im gonna tell everyone  
To lighten up (Im gonna tell em that)  
Ive got no one to blame  
For every time I feel lame  
Im looking up  
Im gonna soak up the sun  
While its still free

Im gonna soak up the sun  
Before it goes out on me

(verse)

Dont have no master suite  
Im still the king of me  
You have a fancy ride, but baby  
Im the one who has the key

Every time I turn around  
Im looking up, youre looking down  
Maybe somethings wrong with you  
That makes you act the way you do  
Maybe I am crazy too

(chorus)

Im gonna soak up the sun  
Im gonna tell everyone  
To lighten up (Im gonna tell em that)  
Ive got no one to blame  
For every time I feel lame  
Im looking up

(chorus)

Im gonna soak up the sun  
Im gonna tell everyone  
To lighten up (Im gonna tell em that)  
Ive got no one to blame  
For every time I feel lame  
Im looking up

(end)

Im gonna soak up the sun  
Got my 45 on  
So I can rock on
