Not one more word tonight  
between here and there  
Well put a distance the size of the ocean  
so now his heart can be a skipping rythem  
As the cadence carries me  
I almost drift away  
far enough to forget  
but when it comes you cannot hesitate  
and when found i will write  
on account and seal it in an envelope  
addressed to your last known residence

Whaaaaaaaaaaaaaaaaaoooooooooooooooooooo

and we sink and we drowned  
and what is lost can never be found  
well these arms did swim,  
until the lungs pulled in  
panic was lost in a deep understanding  
that you will see what is wrong with everything  
what is wrong with you and me  
they make all the right reasons to fuck it up  
you gotta fuck it up

Whaaaaaaaaaaaaaaaaaoooooooooooooooooooo

(That sounded pretty good to me)  
(I thought it was pretty good)
