"System Of A Down - Snowblind"

What you get and what you see
Things that dont come easily
Feeling happy in my vein
Icicles within my brain
(cocaine)

Something blowing in my head
Winds of ice, it soon will spread
Death would freeze my very soul
Makes me happy, makes me cold

My eyes are blind but I can see
The snowflakes glisten on the tree
The sun no longer sets me free
I feel theres no place freezing me

Dont you think I know what Im doing
Dont tell me that its doing me wrong
Youre the one thats really a loser
This is where I feel I belong

Crystal world with winter flowers
Turns my day to frozen hours
Lying snowblind in the sun
Will my ice age ever come?
