Blackstreet/Mya/Mase/Blinky Blink---Take Me There
(Teddy Riley, Tamara Savage, Madeline Nelson, Mason
Betha, & Michael Foster)
Excerpts of "The Rugrats Theme" written by Mark
Mothersbaugh

(Teddy Riley of Blackstreet)
R-U-G-R-A-T-S

(chorus)
(Mya and Blackstreet)
Take me there; I wanna go there
Take me there; Let's go there
Take me to that great place with wonders and wishes
Take me there; I wanna go there
Take me there; You know where
Just take me to that great place with wonders and
wishes

(Mya)
Sittin here thinkin bout yesterday
About what we did and how we used to play
Just the thought of you brings a smile upon my face
That's how it makes me feel to see you everyday

Where we go nobody knows
And what we do is between me and you
So c'mon and take my hand to that special place
Where smiles come to life and dreams come true

(chorus)

(Chauncey of Blackstreet)
Let's make a wish
Close your eyes and count to five
Cuz you know that everything will be alright
I See the magic in your eyes
Cuz the love you know
To bring your dreams to life

Where we go nobody knows

And what we do is between me and you
So c'mon and take my hand to that special place
Don't want this dream to ever go away

(chorus)

(Mase)

Now Angelica the one wit' all the exposure
Dill is the one they drop in the stroller
And Tommy is the one with snot on his shoulder
While Dill cries to sleep
Til' his eyes get bleak
And I could'na be Chuckie, Chuckie to petro
Chuckie get scared, Chuckie so "Let's Go"
If I was a rugrat, it would've been surreal
Me and my twin would've been just like Phil and Lil

(Blinky Blink)

And with one wish, Blink grant you one trip
When we go on this adventure who you wanna come
with
See you my little brother that I'll come get
Run with, But it gotta be done quick
Yo, Chuckie is scared and Tommy is sad
And Phil and Lil misses they mommy and dad
So pick a time and date
And find a place
And I guarantee that we all get home safe

(Mya)

Just take me there!

(chorus)
