If you ever see the boy for me  
Tell him that I love him  
Tell him that I care  
If he ever needs me  
Tell him I'll be there

It happened the other night  
We argued but we didn't fight  
He grabbed his stuff and slammed the door  
And he hasn't been back here no more

If and how you can see my man  
Tell him that I need him  
Tell him he was right  
Tell him that I miss him  
Each and every night

I didn't mean what I said  
Tell him, "My doll what's wrong?"  
P.S. s will be written: tell him to come back where he belongs

If you ever find that love of mine  
Tell him to forgive me  
Tell him don't be mean  
I didn't mean to start it  
Ooh, I wished it was all just a dream

Tell him!  
Tell him!  
Oh how much I love him!  
Oh how much I need him!
