Do what I want cause I can and if I dont
Because I wanna be ignored by the stiff and the bored
Because Im gonna.
Spit and retrieve cause I give and receive
Because I wanna gonna get through your head what
the mystery man said
Because Im gonna.
Hate to say I told you so.
I do believe I told you so.
Now its all out and you knew cause I wanted to.
Turn my back on the rot thats been planning the plot -
because Im gonna.
No need for me to wait - because I wanna.
No need two, three and too late - because Im gonna.
Hate to say I told you so.
I do believe I told you so.
Do what I please gonna spread the disease
Because I wanna gonna call all the shots for the nos
and the nots
Because I wanna.
Ask me once Ill answer twice cause what I know Ill tell
Because I wanna.
Sound device and lots of ice Ill spell my name out loud
Because I wanna, oh yeah.
