Has your life got you down? Are you feeling lost and blue?

Iâ€™m thinking maybe a career change is the best answer for you

Youâ€™ve never lived, never known true romance
Till you been taught the steps to the death dance
Benning, Georgia, is gonna teach you how to move!

Take our rights back! Stand up for Liberty!
This is the era when we give the world a better way
Take our right back! Shut down the SOA!
This is the era when we give the world a better way

Torture, rape, murder and death are all waiting for you
Democracy subversion well they got that covered too
The grad names on their walls, most infamous of all
dictators/coup learders
Learn well someday you maybe ranked with these
awesome k-k-k-k-killers!

Take our rights back! Stand up for Liberty!
This is the era when we give the world a better way
Take our right back! Shut down the SOA!
This is the era when we give the world a better way

Take our rights back! Stand up for Liberty!
This is the era when we give the world a better way
Take our right back! Shut down the SOA!
The setting son can burn a brilliant vibrant flame

[Speech]

Theyâ€™re selling war as peace
STRIKE!

Do we need it in our name
STRIKE! STRIKE BACK!

Tax dollars from the war machine
STRIKE!

The people canâ€™t leave me in stains
STRIKE! STRIKE BACK!

[Speech]
AHHHHH!

Take our rights back! Stand up for Liberty!
This is the era when we give the world a better way
Take our right back! Shut down the SOA!
The setting sun can burn a brilliant vibrant flame

Vibrant flame
