Lyrics and music: Tony Scalzo

They made up their minds  
And they started packing  
They left before the sun came up that day  
An exit to eternal summer slacking  
But where were they going without ever  
Knowing the way?

They drank up the wine  
And they got to talking  
They now had more important things to say  
And when the car broke down they started walking  
Where were they going without ever  
Knowing the way?

Chorus:  
Anyone can see the road that they walk on  
Is paved in gold  
And it's always summer  
They'll never get cold  
They'll never get hungry  
They'll never get old and grey  
You can see their shadows wandering off somewhere  
They won't make it home  
But they really don't care  
They wanted the highway  
They're happier there today, today

Their children woke up  
And they couldn't find them  
They left before the sun came up that day  
They just drove off and left it all behind 'em  
But where were they going without ever  
Knowing the way?

Chorus
