Only you, you're the only thing I'll see forever  
In my eyes, in my words and in everything I do  
Nothing else but you ever  
And there's nothing for me but Maria  
Every sight that I see is Maria  
Tony, Tony  
Always you, every thought I'll ever know  
Everywhere I go you'll be  
All the world is only you and me  
Tonight, tonight  
It all began tonight, I saw you  
And the world went away  
Tonight, tonight  
There's only you tonight  
What you are, what you do, what you say  
Today all day I had the feeling  
A miracle would happen  
I know now I was right  
For here you are  
And what was just a world  
Is a star, tonight  
Tonight, tonight  
The world is full of light with suns and moons  
All over the place  
Tonight, tonight  
The world is wild and bright, going mad  
Shooting sparks into space  
Today the world was just an address  
A place for me to live in  
No better than all right  
But here you are  
And what was just a world  
Is a star, tonight  
I can't stay, go quickly  
I'm not afraid  
They are strict with me, please  
I love you  
Good night, good night  
Sleep well and when you dream  
Dream of me  
Good bye
