Turn around)
Every now and then I get a little bit lonely
And you never come around
(Turn around)
Every now and then I get a little bit tired
Of listen to the sound of my tears
(Turn around)
Every now and then I get a little bit nervous
That the best of the years come by
(Turn around)
Every now and then I get a little bit terrified
And then I see the look in yours eyes
(Turn around bright eyes) Every now and then I fall
apart (x2)
Every now and then I get a little bit restless
And I dream of somethin wild
(turn around)
Every now and then I get a little bit helpless
And i'm lying like a child in your arms
(turn around)
Every now and then I get a little bit angry
And I know I have to get out and cry
(turn around)
Every now and then I get a little bit terrified
And then I see the look in your eyes
(turn around bright eyes) Every now and then I fall
apart(x2)

Chorus

And I need you now tonight
And I need you more tan ever
And if you only hold me tight
We'll be holding on forever
And we'll always make it right
Never could be wrong
Together we can take it to the end of the life
Life we could share only all of the time
(All of the time)
All we have to do, I always tell you that
Is living in a funny game giving us love

I really need you tonight!!
Forever is gonna start tonight
Forever is gonna start tonight

Once upon a time, I was falling in love
But now I'm only falling apart
There's nothing I can do
It's a total eclipse of the heart

Chorus

Once upon a time...
