(sax intro)

Trouble in mind
I'm blue
But I won't be blue, always
Oh, the sun's gon' shine
In my backdo', someday

I'm gonna lay my head
On some lonesome railroad iron
Let that 219 train, baby
Satisfy my mind

'Scream out there, Gabe'
(trumpet solo)

Trouble in mind
I'm blue
I have almost lost my mind
And when you see my laughin', baby
Havin' to keep from cryin'

'Ring out B Tenor'
(sax & piano)

Trouble in mind
I'm blue
But I won't be blue, always
Oh, the sun gon' shine
In my backdo', someday.
