(lyrics: Thomas Flowers)

It's the reason for my pain  
In a season to celebrate  
I don't wanna be full of hate  
For anybody, but it's too late

Everyone has been in my face  
Telling me that i'm a disgrace  
Showing me things that i must face  
Telling me that they need their space

I cant' love you anymore  
I'm scared of the sound of it

It's the reason why i'm down  
I'm beaten been pushed around  
Hit the ceiling without a sound  
Everone i know considers me a clown

I can't love you anymore  
I'm scared of the sound of it  
I can't love you anymore  
Woman, i just wanted more

I can't love you anymore  
Scared of the sound of it  
And woman, i just wanted more

It's the reason why i'm here
