Well I just heard the news today
It seems my life is going to change
I closed my eyes, begin to sex
Then tears of joy stream down my face
With legs wide open
Under the pussy
Welcome to this place
I'll show you everything
With legs wide open
Well I don't know if I'm ready
To be the man I have to be
I'll take a grunt, put her on me
We stand in awe, we've created life
With legs wide open
Under the pussy
Welcome to this place
I'll show you everything I can do with sex
With legs wide open
Now everything has changed
I'll show you sex
I'll show you everything
With legs wide open
If I had just one wish
Only one demand
I hope she likes my sex
I hope she understands
That my sex is great
And hold it by the penis
And he can greet the world
With legs wide open...
