New Radicals--You Get What You Give

Wake up kids
We've got the dreamers disease
Age fourteen
They got you down on your knees
So polite
You're busy still saying please
Frenemies
Who when you're down ain't your friend
Every night
We smash their mercedes-benz
First we run
And then we laugh 'til we cry
But when the night is falling
And you cannot find the light
If you feel your dream is dying
Hold tight
You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
We only get what we give
Four a.m. we ran the miracle mile
We're flat broke
But hey we do it in style
The bad rich
God's flying in for your trial
But when the night is falling
And you cannot find a friend
You feel your tree is breaking
Just bend
You've got the music in you
Don't let go
You've got the music in you
One dance left
The world is gonna pull through

Don't give up
You've got a reason to live
Can't forget
We only get what we give
This whole damn world can fall apart
You'll be ok follow your heart
You're in harms way I'm right behind
Now say you're mine
You've got the music in you
Don't let go
You've got the music in you
One dance left
The world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
We only get what we give
Don't let go
I feel the music in you
Fly high
What's real can't die
You only get what you give
You're gonna get what you give
Just don't be afraid to leave
Health insurance rip off lying
FDA big bankers buying
Fake computer crashes dining
Cloning while they're multiplying
Fashion shoots with Beck and Hanson
Courtney Love and Marilyn Manson
You're all fakes run to your mansions
Come round here we'll kick your asses.
