Wait and we wait  
What we feel anticipates  
Is it high In the air  
Only few who care  
The man in the box  
The booeey in the sea  
What we say  
Is out of misery  
Nothin in my mind  
But getting in that door  
This is why we are waiting  
This is what we live for

Ring on telephone  
Talk to me  
Telephone ring on  
Who shall it be

Wiat and we wait  
For a sec. you create  
I see something mackin  
I start packin  
I feel that it's real  
As i turn in postion  
How am i sure that  
This is my condition  
Nothing in my mind  
But getting in that door  
This is why I'm waiting  
This is what i live for
