He spent his whole life being too young  
To live the life that's in his dream  
At night he lies awake and he wonders  
Why can't that be me?

'Cause in his life he's filled with all these good  
intentions  
He's left a lot of things, he'd rather not mention right  
now  
Just before he says, good night  
He looks up with a little smile at me and he says

If I can be like that I would give anything  
Just to live one day in those shoes  
If I can be like that what would I do?  
What would I do? Yeah

Now in dreams we run

She spends her days up in the North hall  
Watching the people as they pass  
And all she wants is just a little piece of this dreams  
Is that too much to ask?

With a safe home and a warm bed  
On a quiet little street  
All she wants is just that something to hold on too  
That's all she needs, yeah

If I can be like that I would give anything  
Just to live one day in those shoes  
If I can be like that what would I do?  
What would I do?

Yeah, yeah, yeah  
Ho, woo, ooh, yeah  
I'm falling into this  
In dreams we run away

If I can be like that I would give anything  
Just to live one day in those shoes

If I can be like that what would I do?  
What would I do?

If I can be like that I would give anything  
Just to live one day in those shoes  
If I can be like that what will I do? Lord  
What would I do? Yeah, yeah

Falling in I feel lost  
Falling in to this again
