Everything's working out fine  
You've got all the things you want and I've got mine  
No more struggle and strife  
Kickin' back and diggin'...it's a wonderful life

And then you awoke  
To start the day out laughing  
It's some kind of a joke

Everybody's waiting for a day in the sun  
Everybody's working hard to have some fun  
First you want a million then a million and one  
Everybody's waiting for a day in the sun

City girls and small town boys  
Lots of pretty people tryin' to make some noise  
They'd be chilling if they only could  
Instead of tryin' hard to look so good

But they try and they try  
Waiting for the clouds to disappear from the sky

Everybody's waiting for a day in the sun  
Everybody's working hard to have some fun  
First you want a million then a million and one  
Everybody's waiting for a day in the sun  
Everybody's doing everything they can  
Some will count on luck and some will make a plan  
If you want to get it, got to get it done  
Everybody's waiting for a day in the sun

Mama said 'Listen to me,  
I can't tell you what your life's gonna be  
Every day there's something new, it's true  
A light could shine on you'

But they try and they try  
Waiting for the clouds to disappear from the sky

Everybody's waiting for a day in the sun  
Everybody's working hard to have some fun  
First you want a million then a million and one

Everybody's waiting for a day in the sun

Everybody's doing everything they can  
Some will count on luck and some will make a plan  
If you want to get it, got to get it done  
Everybody's waiting for a day in the sun
