A new life
What I wouldn't give to have a new life
One thing I have learned as I go through life
Nothing is for free along the way

A new start
That's the thing I need to give me new heart
Half a chance in life to find a new part
Just a simple role that I can play

A new hope
Something to convince me to renew hope
A new day
Bright enough to help me find my way

A new chance
One that maybe has a touch of romance
Where can it be
The chance for me?

A new dream
I have one I know that very few dream
I would like to see that overdue dream
Even though it never may come true

A new love
Though I know there's no such thing as true love
Even so, although I never knew love
Still I feel that one dream is my due

A new world
This one thing I want to ask of you, world
Once, before it's time to say adieu, world
One sweet chance to prove the cynics wrong

A new life
More and more, I'm sure as I go through life
Just to play the game and to pursue life
Just to share its pleasures and belong

That's what I've been here for all along
Each day's a brand new life
