The lights are on, but you're not home
Your mind, is not your own
Your heart sweats, your body shakes
Another kiss is what it takes

You can't sleep, you can't eat
There's no doubt, you're in deep
Your throat is tight, you can't breath
Another kiss, is all you need

You'd like to think that you're immune
To stare, oh yeah
It's closer to the truth to say you can't get it
You're gonna have to face it you're addicted to love

You're throat is tight, you can't breath
Running at, a different speed
You're heart beats, double time
Another kiss, and you'll be mine

A one track mind, you can't be saved
Oblivion, is all you crave
Is there a song, for you?
You don't mind, if you do

You got to think that you're immune
To stuff, oh yeah
It's closer to the truth to say you can't get it, no
You're gonna have to face it you're addicted to love

Might as well face it, you're addicted to love
Might as well face it, you're addicted to love
Might as well face it, you're addicted to love
Might as well face it, you're addicted to love
Might as well face it, you're addicted to love

The lights are on, but you're not home
Your will, is not your own
Your heart sweats, your teeth grind
Another kiss and you'll be mine

You like the thing that you're immune

To stuff, oh yeah
It's closer to the truth to say you can't get it, no
Face it you're addicted to love

Might as well face it, you're addicted to love
Might as well face it, you're addicted to love
Might as well face it, you're addicted to love
