There, there was a time I knew  
That no matter, come what may  
Love would prevail  
And then inside the dreams I knew  
Came the question lovers fear  
'Can true love fail?'

Then I would miss the childhood wish  
And haven't I sung to you  
Of the knight in armor bright  
Faithful and true to you

Darling, after all  
I will be the one to hold you in my arms  
After all  
I will be the one to hold you  
I will be the one to hold you in my arms  
In my arms

I know in my heart and mind  
That no matter, come what may  
Love will survive  
Love, the author of space and time  
Keeps the galaxies and each sparrow alive

And the love that heals the wound  
After the war is through  
Is the knight in armor bright  
Faithful and true to you

Darling, after all  
I will be the one to hold you in my arms  
And after all  
I will be the one to hold you  
I will be the one to hold you in my arms  
In my arms

Don't you know, after all  
I will be the one to hold you in my arms  
Telling you, after all  
I will be the one to hold you  
I will be the one to hold you in my arms

In my arms

After all, baby

I will be the one to hold you in my arms

[Incomprehensible] after all

I will be the one to hold you

I will be the one to hold you in my arms
