How can I just let you walk away  
Just let you leave without a trace?  
When I stand here taking every breath with you, ooh  
You're the only one who really knew me at all

How can you just walk away from me  
When all I can do is watch you leave?  
'Cause we've shared the laughter and the pain and  
even shared the tears  
You're the only one who really knew me at all

So take a look at me now  
'Cause there's just an empty space  
And there's nothing left here to remind me  
Just the memory of your face

Take a look at me now  
'Cause there's just an empty space  
And you coming back to me is against all odds  
And that's what I've got to face

I wish I could just make you turn around  
Turn around and see me cry  
There's so much I need to say to you, so many reasons  
why  
You're the only one who really knew me at all

So take a look at me now  
'Cause there's just an empty space  
And there's nothing left here to remind me  
Just the memory of your face

Now take a look at me now  
'Cause there's just an empty space  
But to wait for you is all I can do  
And that's all I've got to face

Take a good look at me now  
'Cause I'll still be standing here  
And you coming back to me is against all odds  
That's the chance I've got to take

Take a good look at me now
