Leather skin  
And lately it's what I've been thinking about  
This alien  
Girl from above, we can share our love

I got it good for a woman  
She's something else  
She's not quite human

I got it good for a woman  
She's something else  
She's not quite human, human

Venusian queen  
You're so bright the sun gets mean  
I swear it's a dream  
But I pinch myself and you're still green

I got it good for a woman  
She's something else  
She's not quite human

I got it good for a woman  
She's something else  
She's not quite human

I'm head over heels for this space case  
Something rhymes and no one fades

I got it good for a woman  
She's something else  
She's not quite human

My head's spinning  
Around the world and back again

My head's spinning  
Around the world and back again

I got it good for a woman  
She's something else  
She's not quite human

I got it good for a woman  
She's something else  
She's not quite human
