Stuck in a world no longer turning  
Always a girl waiting for something  
Too many days walking around sleeping  
Open my eyes, I'm tired of dreaming

I wanna run with reckless emotion  
Find out if love is the size of an ocean  
Even if I crash down, burn out  
At least I'm gonna know what it's like  
To feel alive

Sun on my face, lots of a city  
Maybe in love or just learning to be  
On my two feet, I can only imagine  
I'll say the words and believe it will happen

I wanna run with reckless emotion  
Find out if love is the size of an ocean  
Even if I crash down, burn out  
At least I'm gonna know what it's like  
To feel alive

They think they know me  
But how can they know me  
I'm getting to know myself  
I'm finally ready to be somebody  
With a story to tell

I wanna run with reckless emotion  
Find out if love is the size of an ocean  
Even if I crash down and burn out  
At least I'm gonna know what it's like

I wanna feel 'til my heart breaks wide open  
I wanna blaze like a fire that's flowing  
Even if I crash down, burn out  
At least I'm gonna know what it's like  
To feel alive
