Nothing's so loud  
As hearing when we lie  
The truth is not kind  
And you've said neither am i  
But the air outside so soft is saying everything  
Everything

All I want is to feel this way  
To be this close, to feel the same  
All I want is to feel this way  
The evening speaks, I feel it say...

Nothing's so cold  
As closing the heart when all we need  
Is to free the soul  
But we wouldn't be that brave I know  
And the air outside so soft, confessing everything  
Everything

And it won't matter now  
Whatever happens to me  
Though the air speaks of all we'll never be  
It won't trouble me

And it feels so close  
Let it take me in  
Let it hold me so  
I can feel it say...
