every night I pray I'll have you here someday  
I'll count the stars tonight and hope with all my might  
and when I close my eyes  
you'll be right by my side  
if I could only have one wish  
you'd be the girl whose lips I'd kiss  
all my only dreams

and when I close my eyes  
you'll be right by my side  
if I could have just one request  
stay with me girl I confess  
all my only dreams

every waking hour it seems  
I only have you in my dreams  
so every night I'll pray I'll have you here one day  
I'll count the stars tonight and hope with all my might  
and when I close my eyes  
you'll be right by my side  
if I could have just one request  
stay with me girl I confess  
all my only dreams
