This is the last day of our freshmen summer  
Text books and essays wait around the corner  
Saying goodbye now to our best friends  
We'll try if we can to get home on weekends

I gotta run now go home and take a shower  
We all can meet up at your house in half an hour  
I can't get ready any faster  
We better make it, quarter after

Runnin' through the high school hallways  
This is all we've known until now  
I don't ever wanna slow down  
Packed up and I'm ready to go now

Now we'll all meet up and go our own ways  
Probably won't see each other the same ways  
But no matter what happens  
We'll never forget all the times we've had together

Runnin' through the high school hallways  
This is all we've known until now  
I don't ever wanna slow down  
Packed up, and I'm ready to go now

All the days we've been traveling together  
I won't even look over my shoulder  
'Til I find a cure for getting older

Runnin' through the high school hallways  
This is all we've known until now  
'Cause I don't ever wanna slow down  
Packed up, and I'm ready to go now

All the days we've been traveling together  
I won't even look over my shoulder  
'Til I find a cure for getting older
