I thought that dreams belonged to other men
Cuz' each time I got close
They'd fall apart again

I feared my heart would beat in secrecy
I faced the nights alone
Oh, how could I have known
That all my life I only needed you

Chorus:
Whoa-oh
Almost Paradise
We're knocking on heaven's door
Almost Paradise
How could we ask for more?
I swear that I can see forever in your eyes
Paradise!

It seems like perfect love's so hard to find
I'd almost given up
You must have read my mind

And all these dreams I saved for a rainy day
They're finally comin' true
I'll share them all with you
Now we hold the future in our hands

Chorus

And in your arms salvation's not so far away
We're getting closer, closer every day

Chorus
