Always and forever each moment with you
Is just like a dream to me that somehow came true
And I know tomorrow will still be the same
'Cause we've got a life of love that won't ever change
and

Everyday love me your own special way
Melt all my heart away with a smile
Take time to tell me you really care
And we'll share tomorrow together
I'll always love you forever, forever

There'll always be sunshine when I look at you
Something I can't explain just the things that you do
And if you get lonely, phone me and take
A second to give to me that magic you make and

Everyday love me your own special way
Melt all my heart away with a smile
Take time to tell me you really care
And we'll share tomorrow together
I'll always love you ever, ever

Loving you is the thing that I plan
For a very long time
Me and you, you and me, we as one
Love together, for a very long time

Loving you
Love love love
I said, "Forever, ever love you"
Love you, ever and a day
And one day loving you
Yeah yeah yeah yeah

Forever
Ever and a day
Ever and a day
Ever and a day
Love you
Forever, ever love you
Always ever
