What, y'all, what
Jigga, uhh uhh uhh, uh-huh
G, Roc-A-Fella

Who be, in a Japanese restaurant, eating sushi
Drinking sake, it's me, and my mami with the doobie
Cutie, smellin' like Tiaki, half-Phillipine thing
For now, let's call her Suki, got me booty bangin'

Properly, in Versace pants, cocky bow-legged stance
A thing of beauty, watch me, body crazy
Tits firm like Nature, Foxy, Nas and AZ
Truly reason to bust the toolie and keep laced in
jewelry watch me

Girlie tried to lure me and lock me you gotta get up
early
'Cause "you gettin' played" is not me
"Surely you jest," she said, "If you thought I was purely
Out for the bucks you woulda bucked stuck and
dropped me"

I said maturely, "You right but better safe than sorry
But 'for the lovebirds can move to the suburbs
I need to double check your story
To make sure that you one of a kind
And you deserve to be my sunshine"

Touch me with, a heart of gold
I can't go a day without my sunshine ah-ha
Touch me with, a smile of gold
I can't go a day without my sunshine, sunshine

A year gone, and she seein' things most chicks only
Hear in songs keep in gear phenom
Lots of ice in the air, round the neck the charm, that's
right
Risked a four to life bid to keep that shit on her arm

Keep her impressed at all times, cats would love to
creep
Just to say they crept with mine, slept with mine, she

said
"I ain't deaf nor blind, nigga stressin'
Hatin' 'cause they lustin' mine, they wanna sex me
We chose each other, you actin' like you chose me
They oppose you then, they oppose me"

We could creep at a low speed, the gat in the hosiery
Double cross you they got to triple cross me
I'm thinking that's the way it's supposed to be
One more thing

If I ever go broke, would you hit the block for me? Fo'
sure
She replied, eyes open wide
Put that on everything? I put that on my life
Right

Touch me with, a heart of gold
I can't go a day without my sunshine ah-ha
Touch me with, a smile of gold
I can't go a day without my sunshine, sunshine

If I needed would you, give me your kidneys? Fo' sure
Catch a case, you catch it with me? Fo' sure
Pawn your jewelery to come get me? You better know
Catch me with a chick, forgive me? Now that, I don't
know

They spread rumors, will you defend me, tooth and
nail?
They try to frame me, will you be there 'til the truth
prevails?
But would you be the same dude, when you blow the
roof off sales
That you was, throwin' rocks at the roof at 12

This is the truth I shell, 'til the loot gets frail
I put this on my nephews, from the smallest to the pale
Me and you ballin', from the heavens, or the hell
Won't let you hit the ground if I'm fallin' myself

Now picture me leavin' you in this cold world, rollin' for
delf
It's me and you in this old girl, we takin' the belt
From the lows, to the highs, to the foes we shine
Just continue to be my sunshine

Touch me with, a heart of gold
I can't go a day without my sunshine ah-ha
Touch me with, a smile of gold
I can't go a day without my sunshine, sunshine
