B: I don't have to say a word to you

You seem to know whatever mood I'm going through

Feels as though I've known you forever

C: You can look into my eyes and see

The way I feel and how the world is treating me

Maybe I've known you forever

Chorus D:

Amigos para siempre means you'll always be my friend

Amigos para siempre means a love that will never end

Friends for life, not just a summer or a spring

Amigos para siempre

I feel you near me even when we are apart

Just knowing you are in this world can warm my heart

Friends for life, not just a summer or a spring

Amigos para siempre

goodbye

I'm alive when we are together
