Come on, oh my star is fading  
I swerve out of control  
There if I'd, if I'd only waited  
I'd not be stuck here in this hole

Come here, oh my star is fading  
And I swerve out of control  
And I swear, I waited and waited  
I've got to get out of this hole

But time is on your side  
It's on your side now  
Not pushing you down and all around  
It's no cause for concern

Come on, oh my star is fading  
And I see no chance of release  
And I know, I'm dead on the surface  
But I'm screaming underneath

And time is on your side  
It's on your side now  
Not pushing you down and all around  
No, it's no cause for concern

Stuck on the end of this ball and chain  
And I'm on my way, back down again  
Stood on a bridge, tied to the noose  
Sick to the stomach

You can say what you mean  
But it won't change a sin, I'm sick of the secrets  
Stood on the edge, tied to the noose  
And she came along and she cut me loose

You came along and she cut me loose  
You came along and she cut me loose
