And the beat goes on
Just like my love, everlasting
And the beat goes on
Still moving strong, on and on

Do you ever wonder
That to win, somebody's got to lose
I might as well get over the blues
Just like fishing in the ocean
There'll always be someone new

Who love the bad time
You did me wrong
'Cause I've been through stormy weather

And the beat goes on
Just like my love, everlasting
And the beat goes on you'd better believe it
Still moving strong, on and on

Don't stop for nobody
This time I'll keep my feet on solid ground
Now I understand myself when I'm down
Like the sweet sound of hip music
There'll always be something new

To keep the tables turning
Hey this super song
There'll never be an ending

And the beat goes on
Just like my love, everlasting
And the beat goes on
Still moving strong, on and on

The beat goes on, the beat goes on
The beat goes on, the beat goes on

Get down playing that fee
Sure the beat is real

The beat goes on

Do you ever wonder
Well, to win, somebody's got to lose
I might as well get over the blues
Just like fishing in the ocean
There'll always be someone new

Who love the bad time
Girl, you did me wrong
'Cause I've been through stormy weather

And the beat goes on
Just like my love, everlasting
And the beat goes on
Still moving strong, and I love it

And the beat goes on
Keep moving, keep moving right on
Just like my love, everlasting
And the beat goes on
Just like my loving, just like my love
My love, baby, on and on

And the beat goes on

Just like the movie, just like the movie

And the beat goes on
Just like my love, everlasting
And the beat goes on,
Still moving strong, and I love it

And the beat goes on
Just like my love, everlasting
And the beat goes on
Still moving strong, and I love it

And the beat goes on
Just like my loving
Just like my loving, baby, everlasting
And the beat goes on
Still moving strong, and I love it

The beat goes on, the beat goes on
The beat goes on, the beat goes on
The beat goes on, the beat goes on
The beat goes on, the beat goes on

And the beat goes on
Just like my love, everlasting
And the beat goes on

Still moving strong

And the beat goes on
Just like my love, everlasting
And the beat goes on
Still moving strong, and I love it

And the beat goes on
Just like my love, everlasting
And the beat goes on
Still moving strong, and I love it
