sung by Gavin Friday

Angel hold on to me
Love is all around me
Angel hold on to me
Or come closer
To me
Don't go
Don't leave me

Angel hold on to me
Love is all around me
So sad that
You love her like the stars above
So sad that you love her
Hold on hold on

Ah ha ah ha hold on to me
Ah ha ah ha hold on to me

Angel hold on to me
I come closer to you
It's paradise you take me to
Ah Ah ah ah aha h

'cause I love your love
Always free
Ah ahhhh ah ah
ah ahhhh ah ah
