I sit and wait as an angel
Contemplates my fate
And do they know
The places where we go

When we're grey and old
'Cause I've been told
That salvation
Lets their wings unfold

So when I'm lying in my bed
Thoughts running through my head
And I feel that love is dead
I'm loving Angels instead

And through it all
He offers me protection
A lot of love and affection
Whether I'm right or wrong

And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
He won't forsake me
I'm loving Angels instead

When I'm feeling weak
And my pain walks down a one way street
I look above
And I know I'll always be blessed with love

And as the feeling grows
He breathes flesh to my bones
And when love is dead
I'm loving Angels instead

And through it all
He offers me protection
A lot of love and affection
Whether I'm right or wrong

And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
He won't forsake me
I'm loving angels instead

I'm loving Angels instead, oh, oh yeah

And through it all
He offers me protection
A lot of love and affection
Whether I'm right or wrong

And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
He won't forsake me
I'm loving Angels instead
