### "Ant Farm"

Hate a lot of things  
But i love a few things  
And you are one of them

Hard to believe  
After all of these years  
But you are one of them

Walk down the street  
I'm thinking:  
Everybody move along  
I've got a sad-hearted needing  
To belong

Nevertheless  
It's all the mess you made  
But i can let it go

Walk down the street  
I'm thinking:  
Look at all the ants in a farm  
I've got a sad-hearted feeling  
To harm

Hate a lot of things  
But i love a few things  
And you are one of them
