Any way you want it, that's the way you need it
Anyway you want it

She loves to dance, she loves to sing
She does everything
She loves to move, she loves to groove
She loves a lot of things

All night, all night
Oh every night
So hold tight, hold tight
Ooh baby hold tight

Oh she said, any way you want it, that's the way you
need it
Any way you want it
She said, any way you want it, that's the way you need
it
Any way you want it

I was alone, I never knew
What love could do
Then we touched, then we sang
About the lovely things

All night, all night
Oh every night
So hold tight, hold tight
Oh baby hold tight

Oh she said, any way you want it, that's the way you
need it
Any way you want it
Oh I said, any way you want it, that's the way you need
it
Any way you want it

She said, oh, oh
Hold on, hold on, hold on

Oh she said, any way you want it, that's the way you
need it

Any way you want it
Any way, any way you want it, that's the way you need it
Any way you want it

Oh she said, any way you want it, that's the way you
need it
Any way you want it
Any way you want it, that's the way you need it
Any way you want it

Any way you want it, that's the way you need it
Any way you want it
Any way you want it, that's the way you need it
Any way you want it, any way

Any way you want it, that's the way you need it
Any way you want it
Any way, any way you want it, that's the way you need it
Any way you want it

Any way, any way you want it, that's the way you need it
Any way you want it
Any way, any way you want it, that's the way you need it
Any way you want it
