I would find it, Hallelujah
Yeah, do it, do it
Do it do it, do it
Yeah, do it, do it
Do it do it, do it
Yeah, do it, do it
Anybody wanna pray with me

Look at the world and all the trouble it's in
We've traded righteousness for pleasures of sin
And now that things have gotten way out of hand
You're wondering how and you're wondering when

Hate is filtered right into your home
Takin' the love that the family once owned
Mother's against the daughters, dad's against sons
The way that it looks, seems like evil has won

Anybody wanna pray with me, anybody wanna pray
with me
Anybody wanna, anybody wanna pray with me
And chase all these troubles away
Anybody wanna pray with me, anybody wanna pray
with me
Anybody wanna, anybody wanna pray with me
And chase all these dark clouds away

I understand just why you'd throw in the towel
Where there's no hope, life is not worth the while
Why would you chose to live without me
What else do you want when I am all that you need

Searching high and searching low everyday
To find the peace of mind and someone to care
When all you have to do is fall on your knees
Take a look at yourself, I'm all that you need

Anybody wanna pray with me, anybody wanna pray
with me
Anybody wanna, anybody wanna pray with me
And chase all these troubles away
Anybody wanna pray with me, anybody wanna pray

with me
Anybody wanna, anybody wanna pray with me
And chase all these dark clouds away

Anybody wanna pray with me, anybody wanna pray
with me
Anybody wanna, anybody wanna pray with me
Anybody wanna chase all, chase all these dark clouds
away
Anybody wanna pray with me, anybody wanna pray
with me
Anybody wanna, anybody wanna pray with me

And now it's time to shout
Shout the victory, we win
If you haven't read the book, come and go with me
There comes a time
There comes a time when all jokes aside, stop playin'
You make up your mind, you make up your mind

On bended knees, these petitions get heard
From the throne room to packed arenas you've heard
Known for that, must commence to
Rock it fat, crowd react, believe I'll pray for that
Yo' I keep my stance on the rock like this
So if two, three or mo' decide to lock wrist
You better come strong, faith long in this
'Cause with grits and Cece you know God in the midst

Anybody wanna pray with me, anybody wanna pray
with me
Anybody wanna, anybody wanna pray with me
Anybody wanna, anybody wanna chase these troubles
away
Anybody wanna pray with me, anybody wanna pray
with me
Anybody wanna, anybody wanna pray with me
Come on, it's time to pray, it's time to pray, come on

Anybody wanna pray with me, anybody wanna pray
with me
Anybody wanna, anybody wanna pray with me
Anybody wanna pray with me, anybody wanna pray
with me
Anybody wanna, anybody wanna pray with me

Anybody wanna pray with me, anybody wanna pray
with me
Anybody wanna, anybody wanna pray with me
Anybody wanna pray with me, anybody wanna pray
with me

Anybody wanna, anybody wanna pray with me

Anybody wanna pray with me, anybody wanna pray
with me

Anybody wanna, anybody wanna pray with me

Come on, it's time to pray, it's time to pray
