When your sad
When your feeling low
When your hurt
And don't know where to go
Think of me. there i'll be
Anytime you need a friend

When your down
And your luck runs out
Or if your in trouble or in doubt
It's Ok..turn my way
Anytime you need a friend

[Chorus]

La La La

All our lives
Anywhere we are
Just reach out I'll
Never be to far
Come what mayWhen your scared
I will stay with you
When you feel your fallin'
I'll lift you
When your heartbreaks I'll
Ease your aches,
Whatever it takes I'm in
Anytime you need a friend
There I'll stay
Anytime you need a friend

[Chorus]

When you need a friend

Come what may, there i'll stay
Now until the very end
Anytime you need a friend
