sung by Marilyn Manson

I found the center of fruit is late,

It is the center of truth today,

Cut the apple in two,

Oh, I pray it isn't true,

I found the center of fruit is late,

Is the center of truth today,

I cut the apple in two,

Oh, I pray it isn't true,

I've got something you can never eat,

I've got something you can never eat,

I've got something you can never eat,

I've got something you can never eat,

I take my heart and burn myself,

I turn the chord to stunt my growth,

I play to die in space,

So come on me, its now,

So come on me, its now,

Come on me, its now,

(I'm dying, I hope you're dying too,)

Come on me, its now,

I'm dying, I hope you're dying too,

I'm dying, I hope you're dying too,

I'm dying, I hope you're dying too,

I'm dying, I hope you're dying too,

I'm dying, I hope you're dying too,

I'm dying, I hope you're dying too,

I'm dying, I hope you're dying too,

Take this from me, (take me, take me,)

Take this from me, (take me, take me,)

One, two, three,

It is the sweet gone bad,

One, two, three,

You can't learn to ---- stale

One, two, three,

It is the sweet gone bad,

One, two, three,

You can't learn to ---- stale

I've got something you can never eat,

I've got something you can never eat,

I've got something you can never eat, [repeat till fade]
