The kisses of the sun - Were sweet I didn't blink
I let it in my eyes - Like an exotic dream
The radio playing songs - That I have never heard
I don't know what to say - Oh not another word

Chorus:

Just - la la la la la - It goes around the world
Just - la la la la la - It's all around the world
Just - la la la la la - And everybody's singing
La la la la la - And now the bells are ringing

La la la la la - la la la la la la la - la la la la la - la la la la
la la la
La la la la la - la la la la la la la - la la la la la - la la la la
la la la

Inside an empty room - My inspiration flows
Now wait to hear the tune - Around my head it goes
The magic melody - You want to sing with me
Just la la la la la - the music is the key
And now the night is gone - Still it goes on and on
So deep inside of me - I long to set it free
I don't know what to do - Just can't explain to you
I don't know what to say - Oh not another word

Chorus:

Just - la la la la la - It goes around the world
Just - la la la la la - It's all around the world
Just - la la la la la - And everybody's singing
La la la la la - And now the bells are ringing

La la la la la - la la la la la la la - la la la la la - la la la la
la la la
La la la la la - la la la la la la la - la la la la la - la la la la
