Love, let me know, let me know
Love, let me know, let me know
Let me know

When I feel what I feel
Sometimes it's hard to tell you so
You may not be in the mood
To learn what you think you know

There are times when I find
You wanna keep yourself from me
But when I don't have the strength
I'm just a mirror of what I see

But at your best you are love
You're a positive motivating force within my life
Should you ever feel the need to wonder why
Let me know, let me know

Love, let me know

When you feel what you feel
How hard for me to understand
So many things have taken place
Before this love affair began

But if you feel, like I feel
Confusion can give way to doubt
For there are times when I fall short of what I say
What I say I'm all about, all about

But at your best you are love
You're a positive motivating force within my life
Should you ever feel the need to wonder why
Let me know, let me know

Tell me what it is
(Tell me what it is)
There's no need to make believe
(Make believe, no need to make believe)
Look beyond your world

(Look beyond your world)
Try and find a place for me
(Try and find, find a place for me)

'Cause at your best you are love
You're a positive motivating force within my life
And if you ever feel the need to wonder why
Let me know, let me know

Let me know, let me know, let me know
Love, oh, baby
Stay at your best, baby, yeah
Please do it for God's sakes
