Attica State [Live from the John Sinclair Freedom Rally  
/Ann Arbor 1971 ]  
[John/Yoko/Plastic Ono Band]

What a waste of human  
power  
What a waste of human lives,  
shoot the prisoners in  
the towers  
Forthy-three poor widowed  
wives

Media blames it on the  
prisoners,  
But the prisoners did not kill  
"Rockefeller pulled the trigger"  
That's what the people feel.

Attica, Attica state, we're all  
mates with Attica state.

Free the prisoners, free  
the judges  
Free all the prisoners everywhere,  
All they want is truth  
and justice  
All they need is love and care

They all live in suffocation,  
Let's not wathc them die  
in sorrow,  
Now's the time for revolution,  
Give them all chance to grow.

Attica state.....

Come together join the movement,  
Take a stand for human rights,  
Fear and hatred clouds  
our judgement,  
Free us all from endless

night,

Attica state....

We are all mattes...

We all live in.....

Attica, Attica, Attica state
