It's undeniable that we should be together
And unbelievable how I used to say that I'd fall never
The basis is need to know if you don't know just how I
feel

Then let me show you now, that I'm for real
If all things in time, time will reveal, yeah

One, you're like a dream come true
Two, just wanna be with you
Three, girl it's plain to see
That you're the only one for me
And four, repeat steps one two three
Five, make you fall in love with me
If ever, I believe my work is done
Then I'm starting back at one

It's so incredible, the way things work themselves out
And all emotional, once you know what it's all about,
hey

And undesirable for us to be apart
I never would have made it very far
'Cause you know, you've got the keys to my heart

'Cause one, you're like a dream come true
Two, just wanna be with you
Three, girl it's plain to see
That you're the only one for me
And four, repeat steps one two three
Five, make you fall in love with me
If ever, I believe my work is done
Then I'm starting back at one

Say, farewell to the dark of night
I see the coming of the sun
I feel like a little child
Whose life has just begun

You came and breathed new life
Into this lonely heart of mine
You threw out of the lifeline
Just in the nick of time

One, two, just wanna be with you
Three, girl it's plain to see
That you're the only one for me
And four, repeat steps one two three
Five, make you fall in love with me
If ever, I believe my work is done
Then I'm starting back at one
