I guess now its time for me to give up
I feel its time
Got a picture of you beside me
Got youre lipstick mark still on your coffee cup
Got a fist of pure emotion
Got a head of shattered dreams
Gotta leave it, gotta leave it all behind now

Whatever I said, whatever I did I didnt mean it
I just want you back for good
Whenever Im wrong just tell me the song and Ill sing it
Youll be right and understood

Unaware but underlined I figured out this story
It wasnt good
But in the corner of my mind I celebrated glory
But that was not to be
In the twist of separation you excelled at being free
Cant you find a little room inside for me
Whatever I said, whatever I did I didnt mean it
I just want you back for good
Whenever Im wrong just tell me the song and Ill sing it
Youll be right and understood

And well be together, this time is forever
Well be fighting and forever we will be
So complete in our love
We will never be uncovered again

Whatever I said, whatever I did I didnt mean it
I just want you back for good
Whenever Im wrong just tell me the song and Ill sing it
Youll be right and understood
