Bad girls
Talking about the sad girls
Sad girls
Talking about the bad girls, yeah

See them out on the street at night, walkin'
Picking up on all kinds of strangers if the price is right
You can score if you're pocket's nice
But you want a good time

You ask yourself
Who they are?
Like everybody else
They come from near and far

Bad girls, yeah
Bad girls
Talking about the sad girls, yeah
Sad girls
Talking about the bad, bad girls, yeah

Friday night and the strip is hot
Sun's gone down and they're about to trot
Spirit's high and they look hot
Do you wanna get down

Now don't you ask yourself
Who they are?
Like everybody else
They wanna be a star, yeah yeah

Bad girls, sad girls
You such a dirty bad girl
Beep beep
You bad girl, you sad girl
You such a dirty bad girl
Beep beep

Now you and me, we are both the same
But you call yourself by different names
Now you mama won't like it when she finds out
Her girl is out at night

Hey mister, have you got a dime?
Mister, do you want to spend some time, oh yeah
I got what you want, you got what I need
I'll be your baby come and spend it on me
Hey mister, I'll spend some time with you
With you, you're fine, with you

Bad girls
They're just bad girls
Talkin' about sad girls, yeah
Sad girls
Hey, hey mister
Got a dime?
