there's a spark of magic in your eye  
candyland appears each time you smile  
never thought that fairytales came true  
but they come true when i'm near you

your a genie in disguise  
full of wonder and suprise,and

betcha by golly,wow  
your the one that i've been waiting for forever  
and ever will my love for you  
keep growing strong,keep growing strong

if i could i'd catch a falling star  
to shine on you so i'll know where you are  
all the rainbows in your favourite shades  
to show i love you and thinking of you

write your name across the sky  
anything you ask i'll try,'cause

betcha by golly,wow  
your the one that i've been waiting for forever  
and ever will my love for you  
keep growing strong,keep growing strong x3
